

## Teen Advisory Board Registration

**What is TAB?:** Coopersville Area District Library’s Teen Advisory Board is a group of community driven teens that help plan teen programming, suggest materials for the library, and make the library a better place for teens! This is a great way to gain leadership experience, community service hours, and will also look great on any resume!

**When is it?:** The meetings will be held at 3:30 PM Bi-Weekly. Ask Mr. Zach for a the TAB calendar release at the beginning of each month or check online at the Coopersville Website by going to [coopersvillelibrary.org](http://coopersvillelibrary.org) – events- teen.

**Who runs it?:** TAB is intended to be run by you, and the rest of the area’s teens. Zach the Teen Services Librarian will help to facilitate, execute, and aid you in any way possible.

**What if I have more questions?:** Contact Zach at [zach@coopersvillelibrary.org](mailto:zach@coopersvillelibrary.org) or call us at 616-837-6809
