Accessibility Additions Quotes – Pages 2-11

Elyshia distributed additional information from contractors regarding missing details in the bids and questions from board members. After some discussion some members felt they were still comparing “apples to oranges” and that BCI did not have the opportunity to prepare a detailed bid. Elyshia was going to contact BCI for more details in their bid and check with other contractors to see if their bid deadlines could be extended. It was decided that a decision would be made at the December 17, 2025 regular meeting.

M/S (R. DeVries, P. Lindberg) to approve waiting until regular December 17, 2025 Board Meeting to decide on bid for the Accessibility Additions Quote. Motion carried.
